**"THE STAIRCASE" WILL BE SHOWN AT NOON ON MAY 3, 10, 17 AND 31 with a Klondike Bar Treat!!!**

Directed by Academy Award®-winning filmmaker Jean-Xavier de Lestrade (**Murder on a Sunday Morning**), **THE STAIRCASE** is like the most suspenseful of page-turners, adding layers of complexity until one is entirely hooked by its ambiguities and twists and turns (Chicago Tribune). One of the most highly acclaimed documentaries in recent years, this shocking, real-life thriller follows the high-profile murder trial of North Carolina author Michael Peterson, who was arraigned in 2001 for the murder of his wife after her body is discovered lying in a pool of

blood on the stairway of the couple's upscale Durham home. Did Kathleen Peterson fall down the stairs, or was it cold-blooded murder? As the mystery unravels, de Lestrade's cameras are granted unusual access to Peterson's lawyers, home, and immediate family, resulting in a gripping, inside look at a case so shocking, it is sure to leave you gasping for breath.

Recommended by Val, who uses it in her Ethics Class.
