

## EASTON SENIOR CENTER MAY 2017 TRIPS

I presently am scouting out new places of interest for upcoming trips. In addition, as of late, many of the plays in the local theaters are repetitious of those we already have seen. Plays on Broadway are becoming cost prohibitive. I will persevere and hopefully have some exciting trips in the June newsletter for the remainder of the year. So please hang tight! Meanwhile the Mystery trips are up and running, so sign up quickly if you haven't already. Please note again that you must sign up immediately for trips posted or I am unable to get good seating or advanced purchase admissions for groups. I appreciate your cooperation.
