MISSION STATEMENT

The Easton Senior Citizen's Center is an intellectual, educational, cultural and social center for adults of all ages, but especially for retirees, seniors, and physically challenged adults.

Its purpose is to enrich the town and surrounding communities and to provide assistance to individuals and communities in need.

The Easton Senior Center would like to thank the following folks who paid for the cost of printing and mailing this newsletter. Lilla Cooper in loving memory of Kyle Savard, and Al Bodnar in loving memory of Sophie Radomski—a long time volunteer of the center.

DONATIONS NEEDED

We have 2 exciting fundraisers in progress at the center.

1. ADA approved automatic doors. (Paul Diana, Easton Lions, is kindly helping to organize this necessary project.)
2. New furniture for the main lounge. Have you notice the newly painted Center?

We hope you would like to support either of these two projects. Please send your checks payable to Easton Senior Center to the address above. Please note on the memo which project you wish to support.
